

A Bi-Monthly News Letter Proclaiming the
Good News For Both Jews and Gentiles
Jan-Feb 2012 / Tevet 5772-Adar 5772

☆ Will You Take the Challenge? ☆

From the beginning, God planned to reclaim His world from the chaos of sin. He revealed His plan to restore shalom to His creation to Noah, Abraham, Joseph & their families. The books of the Torah, which tell the creation and exodus stories, revealed to the Hebrews who God is, who they were, and who they needed to become. Thus the Torah is God's blueprint describing the role He desires His people to play in His plan of restoration. It forms the foundation of all future acts of God recorded throughout the Bible.

We are all to be witnesses of God's plan to reclaim His world. With the message of the Scriptures being eternal and unchanging, the mission of God's people remains the same. We are to make God known to as many people as we come in contact with.

As we start a new year, where do you fit in God's plan? Were you instrumental in helping God with His plan of restoration to those you came in contact with in 2011? If you were not His witness in 2011, do you plan to be His witness in 2012? He invites all of us to be His witnesses as we serve and worship Him as the one, true God. Will you take His challenge?

☆ Youth Group Newsletter ☆

January 2012

By: Lisa Snell

As 2011 comes to a close, we are very blessed to look back over the past year and see how much God has been working in our youth group. Recently in our Bible studies, we have finished up a short series on trials, in which we were all challenged to look at the spiritual benefits that can come from hard times in our lives and use those struggles as an opportunity to passionately worship our amazing God who loves us so much. We have also been very busy having tons of fun during this busy Hanukkah season--many teens took on roles during the recent Hanukkah play, we hosted a party and white elephant gift exchange at our house, and we are looking forward to bringing in 2012 this Saturday with an all-night lock in. Yikes!

Please continue to lift up our teens in prayer. Pray that they will have hearts ready to receive the lessons that the LORD has put on our hearts to teach. In January we will begin a series on Discipleship and then dive in to an extensive teaching plan that will, LORD willing, encourage our teens to live passionately as disciples of Yeshua.
